Dear Ms. Kangas:

President Daniel M. Asquino, your professors, staff, and I want to congratulate you on your outstanding academic achievement. You made the Dean's List for the spring 2009, semester. This is quite an achievement, and it required a great deal of dedication and hard work on your part.

I am pleased to present you with the enclosed Dean's List Certificate with my best wishes for continued success. If you have the time, please drop by my office so that I can congratulate you personally.
